From Our Lord Jesus Christ & Our Blessed Mother

To Locutionist Little Mary

The Blessed Mother first came to Little Mary in a dream in August of 1994 and has received over 3000 messages from Jesus and Mary. She wrote the first message on January 11, 1995 and writes the messages in notebooks and shares them with her spiritual advisor.

January 11, 1995, Wednesday ~ Be Silent and Hear My Words.

My daughter, I have protected you. You were a virgin but then chose to become a mother. Look to the highest and crown Him with many crowns. Jesus reigns and is above all the earth. Cast away all your doubts and remain with us. This earth is so full of sorrow and doubt. Look to the skies because God can fulfill your every need. He had promised to keep you, hold you and protect you for He is your true Father and I your true Mother. Rejoice in the Lord always, again I say, rejoice. Be silent and hear my words for I am with you. Look at my heart as I am in yours.

January 12, 1995, Thursday ~ From the Lord Jesus: Look inside the Flower. Look inside the flower. There was once this tiny seed. Now your petals will open and you will blossom and grow in me. Keep your yes open and beware of dark times. Blessed is the fruit of the womb, Jesus. Stay close to me and you will see the glory and power of eternity.

"From the very beginning my spiritual advisor was chosen by the Blessed Mother. My job as a messenger is to write and relay the messages. I have to ask God everyday for the strength and grace needed to do this. This is not always easy, it is not like writing a letter, and every word I write is embedded in my heart. Some messages are very strong and you feel Jesus' and Blessed Mother's pain."

In 2004 Fatima Priest, Fr. Robert J. Fox's wrote a book called "[Messages from the Heart of Our Mother](#)" that contains messages from Jesus and the Mother of God, given to Little Mary. Our Blessed Mother and Jesus gave these messages with a note of urgency, stressing they are for the world. The Blessed Mother uses a certain style directed to all for as a good Mother, she desires to have her messages touch each and every one of her children. Mother Mary speaks in simple words and phrases so that her teachings can be understood by anyone. <http://virginmary-messagebook.excerptsofinri.com/>

My daughter, Those who imitate Christ have hearts of love, mercy and compassion. They have patience and they do not judge their brother and sisters. They do not gossip or seek revenge. They are humble, loving children who desire to be more like Christ.

Lack of kindness and unwillingness to live God's Word, is why there is division in the world. Lack of love and mercy, is why there is war, war amongst my children. Until my children strive to live a holy life, love and peace cannot exist.

Please take heed to my words and amend your ways. Keep your focus on Jesus and pray and love, love one another. As your mother, I am asking each of you to imitate Christ. Love and praise my Son, for He is your God. Allow God to be in control. Love Jesus and follow His ways. Seek to be humble, pure and obedient so that I can lead you closer to Jesus' Most Sacred Heart. Through your obedience, you can serve this world and take part in saving souls. Through your actions, more will come to know Christ.
